Enjoy the real thing this Christmas

- :: Potted Christmas trees in a range of sizes, for the house, the doorstep & the table
- :: Cut Nordmann Firs & Norway Spruces
- :: Wreaths
- :: Cut flowers
- :: Gift plants & more

We love to grow our own plants - and indeed most of the perennials, shrubs, herbs, alpines and seasonal plants you see on our sites have been grown at Katie's Garden - but some things we leave to the specialists.

From early November we will have a tempting selection of **spring-flowering shrubs** including Rhododendrons, Azaleas, Camellias and Skimmias. Excellent as gifts.
